INFO

Title: Weapons and Targets for Trag attacks: An Analysis

Author: Nishtha Arora

Date: 10.10.2021

Sheet: 4

Task: Comparing weapon nom with target types for cities of Trag.

OPERATIONS

- Use radio buttons to view plots of weapon and target names and count.
- City specific charts can be seen by using dropdown.
- year specific graphs can be viewed by using slider
- Hovering or selecting on the circles will give information of weapon/target, city, count, year.

DISCUSSION

Positive:-

- The visualization is a good display of information and easy to read.
- The count for weapon and target is displayed clearly.
- Data can be filtered based on year

Negative:

- Comparison b/w weapon and target count is not clearly possible.
